Committee

2:30-3:00 PM

Wildlife & Public Access Study*

The Study continues to progress smoothly and the 2nd qtr. report was recently released. To date, nine months of field data have been collected. Staff will discuss the availability of preliminary findings and issues and options related a possible extension of the field research. The attached memo sets forth the scientific rationale for continuing the field research: staff seeks Steering Committee policy direction.

Staff

3:00-3:30 PM

Next Board Meeting

The next Board Meeting is being planned for the second week in May (date to be confirmed) at Fort Mason. Preliminary program topics include updates on the Wildlife & Public Access Study, the Bay Trail Regional Development Program grants, a panel discussion of overarching trends in trail development and a tour of the Crissy Field habitat restoration and trail development.
