Consideration of revised grant scoring criteria based on previous input from the Steering Committee to better reflect the goals of the grant program.

3:00 – 3:30 PM

A New Generation of Travel*

Thompson

Electric bikes and other “power assisted” wheeled devices are gaining popularity and emerging as viable alternatives to automobile travel. But should they be allowed on multi-use trails? The Committee is encouraged to provide direction to staff on these somewhat controversial forms of transport to assist with responses to the public and local agencies seeking to regulate trail use.
