

ASSOCIATION OF BAY AREA GOVERNMENTS

Representing City and County Governments of the San Francisco Bay Area

ABAG

July 17, 2015

PLEASE RETURN ONE SIGNED COPY

Dear Paula Trigueros:

I am most pleased to offer you an appointment to the Association of Bay Area Government's staff as a Senior Grants Administrator. This limited-duration appointment will be effective October 5, 2015, and will continue until June 30, 2016, unless terminated earlier. Employment is at the mutual consent of the employee and the Association and may be terminated at will and at any time by either party. This is a part-time (20%) position, and your salary will be \$45.16 per hour. In this position you are exempt from the Fair Labor Standards Act and applicable State laws which require overtime pay and other employment conditions.

We understand that you will be a CalPERS retiree. Therefore, this appointment will be governed by California retirement law, which – among other things – limits the number of hours worked in a fiscal year, precludes us from providing health and other benefits, and requires that you certify that you did not receive any unemployment insurance payments within the 12 months prior to this appointment.

If you have any questions regarding this offer letter, please contact Brian Kirking, Human Resources Director, at (510) 464-7996. We would be very pleased to have you.

Sincerely,

Ezra Rapport
Executive Director
