**NOTICE OF PROPOSED AWARD  
May 5, 2016**

**Municipal Zero Net Energy Technical Assistance**

On April 15, 2016, the Association of Bay Area Governments (ABAG) on behalf of the Bay Area Regional Energy Network (BayREN) released a Request for Bids (RFB) for Municipal Zero Net Energy Technical Assistance. The scope of services included conducting engineering and cost analysis for ZNE design and implementation of municipal facilities, with an anticipated budget of \$55,000.

Five proposals were received. The proposals were reviewed, evaluated and scored using the criteria prescribed in the RFB. The proposing agencies and final scores are shown in the table below:

Proposing Entity	Final Score
DNV-GL	86.8
Integral Group	83.0
kW Engineering	77.8
BASE Energy	65.0
Point Energy	60.0

BayREN intends to initiate contract negotiations with the top scoring firm to undertake the stated scope of services. Should contract negotiations be unsuccessful with the selected firm, ABAG may choose to negotiate with the next highest scoring firm.
