

“Bay Area communities working together for a sustainable energy future.”

ADDENDUM 1

Request for Proposals Single Family Home Upgrade - Implementation and Related Services and Regulatory Support

TO ALL PROPOSERS:

The following changes, deletions, and/or clarifications shall be made to the RFP:

Page 4: Modification to PART ONE(b), Scope of Work: Proposers *may* submit a proposal if they have not passed PG&E’s data security clearance. However, by submitting a proposal, proposers agree to have completed the security clearance process with PG&E within 45 days from notification of contract award. Any time or materials incurred in going through this process will not be reimbursable by BayREN and will be the sole responsibility of the proposer. Failure to complete the clearance within this amount of time may result in revocation of the contract award.

Proposers shall acknowledge receipt of this Addendum on Attachment “C” (attached hereto). The completed Attachment “C” shall be submitted along with the Proposal, and will not be counted toward the page limit.

Dated: July 28, 2016
