

The City of Fairfield is seeking an Assistant and Associate Planner. Both positions perform professional level duties and technical work in City planning, assist in field and office studies for master plan development and subdivision and zoning administration, and to perform related work as required. Placement will be based on years of experience and complexity of work performed. The Assistant requires a minimum of 1 year of experience working in planning and the Associate requires a minimum of 3 years. Responsibilities include but are not limited to reviewing development proposals for conformance with appropriate regulations; evaluate site plans and building plans, parcel maps, subdivision proposals, re-zonings, ordinance and General Plan amendments, use permits, variances and other proposals; make recommendations based on findings and evaluate complex projects under CEQA and NEPA. For complete job descriptions, requirements, supplemental questionnaire and online application visit the Job Opportunities section of the City's website www.fairfield.ca.gov

Additional Information

Salary Range: \$65,611.52 to \$88,029.76 annually depending on placement and qualifications.

Deadline Information: This is an open until May 3, 2016
