Short-Term Rental Boom: Challenges in Bay Area Communities?

Draft Agenda

8:30am **Registration / Continental Breakfast**

9:00am **Welcome and Introductions**

The short-term rental phenomenon has taken many by surprise. This phenomenon has created a number of different challenges in some Bay Area communities. Are short-term rentals changing the character of and commercializing our single-family neighborhoods? How are they controlled, enforced and regulated? Hear about the challenges, lessons learned, and what is being done by several communities in addressing this issue.

Al Savay, AICP · BAPDA Chair; Community & Economic Development Director, City of San Carlos

9:15am **Data, Monitoring and Compliance Solutions for Local Governments**

Representatives from short-term rental agency, and private consulting firms and services have developed tools and measures to assist local governments in addressing short-term rentals. These representatives will share what they have developed and implemented for data collection, tracking and monitoring, regulating, permitting and enforcing short-term rentals.
