

SHEPHERD CANYON PATH

Priority Conservation Area APPLICATION

Shepherd Creek runs through the hills of Oakland, providing recreation opportunities alongside and nearby. Shepherd Canyon Path is a bike path that includes a hiking trail along the creek in Shepherd Canyon. The Shepherd Canyon Path PCA benefits **Recreation** and co-benefits Wildlife Habitat and Water Supply & Quality.

The Shepherd Canyon Path PCA is a Class 1 Bikeway, benefiting Recreation. Much of it falls within the city's Shepherd Canyon Park, where an East Bay Park District Regional Trail follows the creek. It therefore co-benefits Wildlife Habitat and Water Supply & Quality.
