Review of Planning and Construction Grant Applications for the \$3.8 Million Grant Program*

The Steering Committee will consider funding recommendations for the fourth round of grant applications received under the \$3.8 million program. Staff has reviewed and scored 3 planning project applications for Committee review. Staff will provide an overview of grants awarded to date and anticipated timeline for full allocation of the program.

Thompson

2:15 - 2:45 PM

Carquinez Scenic Drive Bay Trail Studies (\$50,000)*

Staff is bringing back to the Steering Committee consideration of a \$50,000 planning grant request from the Contra Costa County Public Works Department for two studies along the Carquinez Scenic Drive corridor - Biological Assessment/Wetlands Delineation and Historic Property Survey.

Huo

Napa River Trail Feasibility Study (\$75,000)*

Consideration of a \$75,000 planning grant request from the County of Napa to develop feasible alignment alternatives for 8.5 miles of Bay Trail along the eastern edge of the Napa River between American Canyon and the City of Napa.

Gaffney

continued on next page

San Rafael Canalfront Conceptual Plan (\$20,000)*

Consideration of a \$20,000 planning grant request from the City of San Rafael to complete detailed planning, feasibility and conceptual design for an improved Bay Trail alignment along the canal waterfront.

Gaffney

2:45 – 3:30 PM

Wildlife and Public Access Study Follow-Up Discussion*

Following the presentation of the Wildlife and Public Access Study results from the research team at the recent Spring Bay Trail Board meeting, Steering Committee and staff will discuss: 1) a strategy for public release of the findings and, 2) management implications identifying the extent to which the study findings can inform trail planning and management.
