

Association of Bay Area Governments

CEQA Environmental Review Log

Issue No: 419 Monday, May 15, 2017

A listing from the Association of Bay Area Governments of Projects Affecting The Nine-County San Francisco Bay Area

Guide to Listing: Project applications shown in the Newsletter are received and published monthly to notify local governments and other parties about programs requiring intergovernmental review and projects of special significance. For more information, call either the ABAG Clearinghouse at (510) 464-7993 or the contact person.

Documents Received On Or After Monday, May 01, 2017

Due Date	County	Impact Area	Documant Type	Document Title	Lead Agency	Contact	Phone
	ALAMEDA COUNTY		Form 424	Airport Improvement Project	Federal Aviation Administration	Angelica Avalos	(510) 627-1292
Runway 12/30 Rehabilitation, Phase III- Construction Costs, South Field, Oakland.							
6/30/2017	CONTRA COSTA COUNTY		NOA Daft EIR	Dow Modernization Project	City of Pittsburg Planning Divison	Jordan Davis	(925) 252-4920
Phase 1 of the Plan would construct modernization updates to the existing operations of the 540 Block with new pumps, tanks, valves, piping, and computer automation control while increasing production and allowing production of new formulations at the 540 Block. Phase 1 work is being analyzed at the project-level and would be implemented immediately following approval. Proposed Phase 2 components would be required to undergo additional environmental review as development of these specific facilities are initiated. Environmental review would possibly include preparation of one or more Addendums, Initial Studies, Negative Declarations, or EIRs. Phase 2 of the Plan includes modernization updates to the existing operations of the 640 and 660 Blocks, a new plant at the 760 Block, and a new area for additional railcar parking. This Plan component consists of construction of a new plant at the 760 Block on previously disturbed land. Demolition of a 20-foot by 40-foot single-story steel and sheet metal shop building, a 20-foot by 30-foot single-story concrete building, and a 50-foot by 60-foot single-story building consisting of steel beams with corrugated sheet metal walls would be required.							
5/15/2017	SANTA CLARA COUNTY		Neg. Dec.	Incidental Homeless Shelter Municipal Code Amendments	City of San Jose Planning Building and Code Enforcement	Kieulan Pham	(408) 535-3844
A Director-initiated Amendment to Title 20 of the Municipal Code to create standards that could allow incidental shelter of homeless individuals and families in a safe place, by allowing the incidental shelter as an incidental permitted use, to an existing assembly use, where the shelter is provided inside existing building(s) that are constructed and operating in compliance with the San José Municipal Code.							
5/30/2017	SANTA CLARA COUNTY		NOP of EIR	Santa Clara Sustainable Residential Project	City of Santa Clara Planning Division	Rebecca Bustos	(408) 615-2450
The project site is currently vacant. In 2007, the City approved the development of up to 165 affordable senior residential units and a one-acre park on the site as part of the larger 17-acre Santa Clara Gardens project. As proposed, the project would construct the 165 affordable senior apartments. In addition, the project would construct up to 419 additional housing units with a mix of affordable and market-rate units, for a total of up to 584 units. Fifty percent of the total units on-site would be affordable.
