Notice of Exemption

Exempt Status	Categorical Exemption
Type, Section or Code	15306 and 15307, Classes 6 and 7
Reasons for Exemption	The Project will facilitate the recovery of state-listed endangered plant species by investigating seed germination of the species and establishing plant propagation protocols that may be used for reintroducing the plants back into their historical ranges in the future. The permit issued by the California Department of Fish and Wildlife for the Project includes measures to ensure that existing populations of the species will not be impacted.
