# 2019 LEGISLATIVE UPDATE

- Housing is Issue #1 this year, led by Governor Newsom who has proposed \$750 million in funding for local and regional agencies to plan for housing and pay for infrastructure.
- Over 200 housing bills were introduced addressing a wide range of issues, spanning across the 3Ps.
- Many, but not all, are authored by Bay Area legislators.
- Most are statewide in scope and do not have a sunset date.
- While many bills have missed a committee deadline and are no longer active this year, over 80 are moving forward.

# HOUSING LEGISLATIVE WORKING GROUP

- ABAG & MTC convened a Housing Legislative Working Group comprised of two city representatives from each of the nine counties, plus one county to provide input on housing legislation that can inform the agencies' advocacy efforts.
- The HLWG met five times in April & early May.
- Meeting materials and videos of meetings can be found here [mtc.ca.gov/hlwg/meetings](https://mtc.ca.gov/hlwg/meetings)
- Based on input received from HLWG, other stakeholders and staff's own analysis, staff made recommendations on 15 housing bills to the ABAG/MTC Legislation Committee, incorporating a number of suggestions into recommended amendments.
