

MTC Quick Build Bench

- **Two Categories**
 - Service Category A: Design Engineering
 - Service Category B: Construction Management
- **Cooperative Use:** allows agencies to use MTC procurement to satisfy procurement requirements, but agencies still need to determine whether using our procurement, complies with their own agency processes and requirements
 - Check with your own Contracting department

Francisco Blvd E at Grange Ave, City of San Rafael, 2020

MTC Quick Build Bench

- The procurement documents are available publicly on Bonfire at: <https://mtc.bonfirehub.com/opportunities/34391>.
- The list of firms available on the Bench is listed on the 02.12.2021 MTC Operations Committee Memo, a copy of which is saved in the folder.
- If agencies require **additional documentation**, such as the evaluation record and scoring, a firm's contact information, SOQs, etc., then they have to contact MTC to provide it to them
- Agencies **do not need to report their usage** of the Bench to MTC
- Contact: nszibbo@bayareametro.gov for info
