Document Title: Draft 2023 TIP & Draft Transportation-Air Quality Conformity Analysis for Plan Bay Area 2050 and the 2023 TIP

Lead Agency: Metropolitan Transportation Commission

Contact: Adam Crenshaw - MTC

Phone: 415-778-6757

The Draft 2023 TIP and Draft Transportation-Air Quality Conformity Analysis for *Plan Bay Area 2050* and the 2023 TIP will be available for public review starting July 5, 2022. The documents will be posted on the MTC web site at <https://mtc.ca.gov/funding/transportation-improvement-program-tip>.

The federally required Transportation Improvement Program (TIP) is a comprehensive listing of Bay Area surface transportation projects that are to receive federal funding, are subject to a federally required action, or are considered regionally significant for air quality conformity purposes. The TIP covers a four-year period and must be financially constrained by year, meaning that the amount of dollars committed to the projects (also referred to as “programmed”) must not exceed the amount of dollars estimated to be available. All projects included in the TIP must be consistent with the current Regional Transportation Plan (RTP), *Plan Bay Area 2050*, and the TIP must be analyzed to determine if the program complies with or “conforms to” federal air quality plans (known as the State Implementation Plan or SIP) and regulations. The Draft 2023 TIP includes projects (or project phases) currently funded for delivery in four fiscal years: FY 2022-23, FY 2023-24, FY 2024-25, and FY 2025-26. This notice also serves to satisfy the public involvement requirements of the Federal Transit Administration (FTA) annual Program of Projects, for applicable funds.

Verbal comments will be accepted on these documents during MTC’s July 2022 Programming & Allocations Committee meeting, currently scheduled for Wednesday, July 13, 2022, 9:45 a.m., or immediately following MTC’s Administration Committee meeting, whichever occurs later. In light of Governor Newsom’s State of Emergency declaration regarding COVID-19 and in accordance with Assembly Bill 361’s (Rivas) provisions allowing remote meetings, this meeting will be accessible via webcast, teleconference, and Zoom for all participants. Detailed instructions on participating via Zoom are available at: <https://mtc.ca.gov/how-provide-public-comment-board-meeting-zoom>. The meeting Zoom link and accessibility instructions will be posted to: <https://mtc.ca.gov/meetings-events> no less than 72 hours prior to the public meeting.

Written comments will be accepted until 5 p.m. on Wednesday, August 3, 2022 and may be submitted to MTC’s Public Information Office via e-mail to info@bayareametro.gov or via USPS at 375 Beale St, Suite 800, San Francisco, CA 94105. Comments should include “Draft 2023 TIP Update” in the subject line. For more information, call MTC’s Public Information Office at 415-778-6757.

MTC’s Programming and Allocations Committee is scheduled to consider public comments received by the end of the comment period at its September 14, 2022, meeting. MTC is expected to approve the final transportation-air quality conformity analysis and the 2023 TIP during its the Commission meeting on Wednesday, September 28, 2022.
