

What is the SF Bay Restoration Authority?

The San Francisco Bay Restoration Authority was created by the legislature in 2008 due to the urgent need to restore the Bay.

- Governing Board made up of local elected officials across the region.
- Community-based Advisory Committee provides guidance.
- Independent Oversight Committee provides annual review.

Measure AA: San Francisco Bay Clean Water, Pollution Prevention and Habitat Restoration Program

Measure AA generates \$500 million over 20 years through a \$12/year parcel tax.

Passed with over 70% support in the 9-county Bay Area in June 2016.

Measure AA funds:

- **Projects to restore, protect, or enhance habitats** along the shoreline.
- **Flood management features** that are part of a habitat project.
- **Public access or recreational amenities** that are part of a habitat project.
