Executive Director

Subject: **Executive Director Compensation**

Background

I have served as ABAG's Executive Director since September 1, 2010. My compensation in this position is governed by an Employment Agreement dated July 30, 2010. Annual salary was set at \$198,500 and has not changed for over five years. I have no severance agreement. Health and welfare benefits, most notably pension and medical coverage, are the same as other employees.

The provisions of the Employment Agreement allow for adjustment of compensation based on annual reviews of performance. The Committee provided such a review in closed session, based on a detailed performance plan, in January 2015 and in January 2016.

The compensation was not awarded in January 2015 due to the news of the FAN embezzlement, the scope of which was unknown at the time. The Committee was not prepared at that time to make any adjustments to compensation, pending the outcome of the investigation. The investigation was concluded in December 2015.

The Committee, through the President, informed me that compensation could be adjusted to match the compensation package that was applied to all ABAG employees, including management, as of January 1, 2015 and January 1, 2016. This compensation package included employee contributions to pension and health benefits. Such contributions are currently being made by me, as the Executive Director. Applying the organizational increase to the Executive Director would increase net compensation by 4%, which would change the net compensation of the Executive Director from \$198,500 to \$206,440. This compensation is well below the MTC Deputy Director's net compensation which has been used as a comparable in the past. The MTC Deputy Director net compensation is \$218,449.

Suggested Action

The Committee can recommend an adjustment to the Executive Director's compensation package for approval by the Executive Board. As a point of reference for salary, ABAG's management, professional and support staff received a 3% salary increase effective January 1,

2015 and another 3% salary increase effective January 1, 2016 as part of ABAG's negotiated MOU with SEIU Local 1021. The increase in total compensation is mitigated by an annual 1% increase in pension contribution for 2015 and again in 2016, in addition to cost controls in medical benefit coverage.

My request is to match my compensation to the same percentage increase received by all other managers and employees in 2015 and 2016, less the negotiated pension contributions and cap on medical benefits. This will avoid salary compaction at the management level.

Re: Request for Adjustment to Compensation – Supplemental

This memorandum supplements the one dated March 17 and submitted in connection with my performance evaluation by the Finance & Personnel Committee conducted in March. The Committee requested additional information which I have provided below.

Below are the adjustments to my annual salary over the past 10 years¹:

<u>Commencement Date</u>	<u>Amount</u>	<u>% Increase</u>
January 1, 2005	\$131,394	n/a
December 18, 2006	\$140,784	7.1%
July 20, 2007	\$162,000	15.0% ²
July 1, 2008 - present	\$171,720	6.0%

The Interim Assistant Director of Administrative Services conducted a salary survey of legal counsels for other regional agencies. The results are presented in the table below:

South Coast Air Quality Management District	\$204,921
Southern California Association of Governments	\$219,086
San Diego Association of Governments	FY2017 range: \$139,560-\$185,904-\$232,248
East Bay Municipal Utility District	\$252,312
Bay Area Rapid Transit District	\$264,669
Bay Area Air Quality Management District	\$265,121
Sacramento Area Council of Governments	\$273,984 ³
Metropolitan Transportation Commission	\$290,484

I hereby respectfully request an approximately 6% adjustment of my annual salary to \$182,025 effective July 1, 2016. This would also increase the annual costs of my benefits. However, the move to San Francisco reduces my transit subsidy. Therefore, the total increased cost to ABAG in FY 2016-17, salary and benefits, is \$13,469 (see attached Employee Cost Rate Report prepared by Finance/Personnel Department).

¹ Data provided by ABAG Finance and personnel staff.

² This is an equity adjustment for all management staff (not uniform).

³ Also serves as COO.

Re: Compensation

This memorandum is submitted in connection with my performance evaluation by the Finance and Personnel Committee conducted in closed session.

Pending a finding by the Committee that my performance has been satisfactory or better, I am submitting the following information and request for the Committee's consideration and recommendation for action by the Executive Board:

- I receive only the same benefits as all other employees of ABAG and note for the Committee that as a member of the Classic CalPERS plan I am also subject to the contribution requirements under the MOU between ABAG and SEIU Local 1020: 1% beginning January 1, 2015 and another 1% beginning January 1, 2016.
- The last adjustment to my annual salary occurred on July 1, 2008 when it was raised from \$162,000 to the current \$171,720, an increase of 6%.
- All other ABAG employees, excepting myself and the Executive Director, received salary increases of 3% on January 1, 2015 and 3% on January 1, 2016.

I respectfully request the Committee to consider adjusting my salary to \$182,025, an increase of 6%, commencing April 1, 2016 and to recommend such an increase to the Executive Board at its March 17, 2016 meeting.
