

AGENDA

Housing Methodology Committee

Bort Metro Center Auditorium

April 2, 1999
10AM-2PM

I. WELCOME, INTRODUCTIONS AND OBJECTIVES

ABAG staff will introduce themselves and guest speakers for the session, and ask committee participants to make self-introductions. Staff will describe the objectives for the first meeting, as well as the overall goals for the HMC, as set by the ABAG Executive Board.

II. STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (HCD) PRESENTATION

Cathy Creswell, Acting Deputy Executive Director, and Linda Wheaton, Housing Specialist, will make a presentation on Housing Element Law and the Housing Needs process. This presentation will include a review of current requirements for the process, impacts of recent legislation on the process, and an explanation of how total regional numbers are derived.

III. IDENTIFY ISSUES FOR STUDY

ABAG staff will describe the aspects of the local methodology required by Housing Element law and the data available to be used in the process. A discussion of issues to be evaluated in the local share methodology will follow. HMC members will be asked to identify particular issues of concern that relate to the methodology and housing needs process. The identified issues will be included in the methodology discussions in future meetings.

IV. PUBLIC COMMENT

Any member of the public wishing to comment on HMC related business would be recognized to do so at this point in the agenda.

V. ADJOURNMENT
